

**Early Intervention Association of Nova Scotia
REQUEST FOR PARENT EDUCATION FUNDS**

EINS would like to gratefully acknowledge **The Truckers Association of NS** for their generous donation which allows us to help parents learn more about their child's needs. The Early Intervention Association of NS is pleased to sponsor family members (2 per family / per workshop) towards the cost associated with attending workshops.

Funding is available to families who are members of EINS. Should a family wish to access the funds and are not a current member, we are pleased to purchase a membership in the family's name and subtract \$5 from the funds provided.

PLEASE PRINT CLEARLY – it can be difficult to read after being faxed

Applicant #1 Name		Relationship to child
Applicant #2 Name		Relationship to child
